WHO IS AN ADDICT?

Most of us do not have to think twice about this question. WE KNOW. Our whole life and thinking is centered in drugs in one form or another, the getting and using and finding ways and means to get more. We use to live and live to use. Very simply an addict is a man or woman whose life is controlled by drugs. We are people in the grip of a continuing and Progressive illness whose ends are always the same: jails, institutions and death.

Narcotics Anonymous®

WHAT IS OUR MESSAGE?

*The message is
that an addict,
any addict,
can stop
using drugs,
lose the desire
to use,
and find
